The diagram illustrates two rectangular structures, labeled 1 and 2. Structure 1 is a rectangle with a vertical double-headed arrow on its right side, indicating a height of 430 ± 1 . A point on the left edge of the rectangle is connected by a line to the top vertex of the rectangle, with the number 1 placed above this line. Structure 2 is a similar rectangle on the right, with a vertical double-headed arrow on its right side, indicating a height of 211 ± 1 . A point on the left edge of the rectangle is connected by a line to the top vertex of the rectangle, with the number 2 placed above this line.
